The first oil shipment under the Sakhalin-1 project has been loaded at the port of De-Castri on board PRISCO's m/t "**VIKTOR TITOV**". According to Yury Sinev, Director of PRISCO (Sakhalin), the tanker took on board 100 thousand tons of crude and left De-Castri according to the schedule at 16.15 local time on October 16. "**VIKTOR TITOV**" is one of the 3 ice-strengthened 1A-class tankers built by PRISCO in accordance with the contract. After unloading at Kawasaki the tanker will return to De-Castri for a new load of crude.

Russian vessel mv **VIKTOR TITOV** lay berthed at New Mangalore Port - it had reached the harbour with 6,72,000 barrels of crude from Sakhalin. This was the first parcel that India received as its share from the Sakhalin-I project. Capt. Vladimir Popov of Viktor Titov said he had made the run from the Sakhalin island to the Mangalore harbour in 16 days.
